

Dear Sis,
 I have a letter written to you back in camp. But I'm rather glad I haven't mailed it. A lot has happened past week, I'll tell you about it later. I was almost sent to Station complement. But it seems as if though I'll stay with the boys after all. I did some talk talking in order to stay with the outfit. But I'll tell you of that later.

Yes, we are away from camp again this week - end.

Bye now Rito
