Dear Sis,

It seems that luck is at last favoring me some, for I have now caught up with most of your letters, the latest one being dated Feb. 24.

Yes I am receiving the paper, also the Readers Digest. Thank you. You have no idea how it is appreciated. Reading material is something we never get enough of.

Now concerning mail, think nothing of it, if you don't hear from for sometime, because we have only our combat rolls, with nothing but bare essentials, consequently writing material is something that is omitted, and until we get to some stationery we will be able to write only when we can get a sheet of paper by begging, borrowing, or stealing. Keep up the good work keep writing

(Even the pencil is borrowed)

Love
Rita
