Dear Sis,  
Long time no letter. What is the matter? As a matter of fact so long that I have forgotten when it was that I last heard from you.

Nothing new in anything I can write. These letters are mostly for the purpose of keeping you informed of my well being. I'll tell you why don't you ask me a few questions and if I can answer them I will. That way my letters may a little more interesting.

I understand, that the farms located in quite large area in the vicinity of Denver suffered a real loss at the hands of a hail storm and high winds. Is there anything to it?

Incidentally Lloyd is now in Florida still attending radio school. Your brother
