Dear Folks,

Jo, if you are still at home this also includes you. I'm writing to Denver anyway - just in case you have already gone back.

Jo, I received your letter today. By now you should know that I have changed the allotment.

I awfully happy to know of the coming event near the first of the year. I'm also glad you told me in advance. It is best that way. Auntie for your sake may it be a little girl. I wish you a lots & lots of luck.

I haven't heard from barrie I'm waiting to hear from her before I write to her. I hope she is happy.

Last week end I made a trip to Greensboro. Had a fairly good time. Nothing to rave about though.

Hitch-hiked both ways. It is worth going to the trouble of getting out of camp, just to get away from this place for a little while.

I'm sending a few more pictures. This I believe will be the last, at least for awhile.

Oh, yes I will no receive for dollars more for my efforts! After almost fifteen months I made P.F.C. "private first class". I now have the honor of wearing one stripe. They can stick their stripe down their throat.

I must close now I have a few more letters to write. I will write again soon as I hear from you, or something new happens.

Remember write often don't make me worry.

As ever  
Pito
