Dear Folks,

In one of your latest letters you ask me, if you should notify the gov. of the change of address. That is not necessary at the present as I have already done so. However it would be a good policy for you to have a forwarding address every time you change address. That way everything will be doubly sure.

You also ask me the reason for that money. Spare is to ~~small~~ on this sheet just keep the money, and I will explain later. I received Pa's picture and prayer book, thank you, Auntie.

Happy Birthday, Uncle

As for news you are better informed as to what goes on, than we are. It is terribly hot, and there are flies by the millions. I see and am pestered with more flies in one hour here than I have ever seen before in my life. Last night we had rice pudding. when I went to eat it I found it had raisins in it - (which I hadn't noticed before) to my horror I discovered they were flies. The pudding was good.

As ever,
P. to.
