Dear Folos,

It has been some time since I've heard from you. However the mail seems to be rather slow, and no one seems to be getting all the mail they should.

Tell me how do you like your new place? Uncle, how about your new job? Junior you should get to play a lot of ball now that you are in town. Do you?

The flies are almost driving us crazy. They pester all day long. One lucky thing is the coolness of the night. It drives them into hiding, but they are back and at it again soon as the sun warms up in the morning. Because of the coolness of the night it is quite comfortable sleeping.

We have motion pictures now nearly every night, and though some of them are old there are many we haven't seen. How about a letter now and then?

As ever
