## Las Vegas Rocks

The first ever "Swinging Solo Sibling Summit" convened at the Venetian Hotel Nov 9-13. In addition to this reporter, Sistah Grace and Bruddah Walt were in attendance. In an effort to do as many non-gambling things as possible in the gambling capital of the world, the Sibs trekked out to Red Rock Canyon National Conservation Area for two consecutive days of hiking, rock-scrambling, gasping for air, and communing with nature.

## Old News to Some Readers....

After a record-breaking six-and-a-half year run, The Dancing Pats are no more. Hence, the headquarters address change. It was an exciting performance while it lasted but somehow they lost the beat and got out of step on the last measure. As the song goes...you've got to pick yourself up, dust yourself off, and start all over again. ♪
